Healthy and unhealthy. The right dose with the healthy mix. That is what we stand for.

Original, a little unexpected, and full of character. Because: anything that wants to be special must be unusual. Quite simply. We make your today so healthy that your unhealthy becomes envious: With original dishes from the region, reinterpreted – but also international original dishes like Ramen soup. We bring the genuine and unadulterated nature to our restaurant in Bad Hofgastein, just like the best products and ingredients: Of course with the best stories. We serve a healthy mix of gourmet specialities for locals and guests from all over the world. Because we are a vibrant place for fun and a healthy kick. With us you get experiences for your heart, brain and stomach. And we can understand if you want more – and keep coming back.
